

**DEATH OF MR. G. W. BUCKNER
OF LITTLE PINE**

On January 6, 1928, the death angel visited the home of our great grand father and took him home to dwell with Jesus around the throne with all the bright angels of heaven. He was 90-years and 28 days old. He was a devoted christian and loved to talk about Jesus and the way to heaven. He was patient, tender and kind and loved us all. We miss our grandfather, but all we can do is to live the life till we can meet him in the great beyond. He left no brothers or sisters to mourn his death but he is survived by seven children and a dear aged wife to mourn their great loss. Three of the children are out of Christ. We want the christians everywhere to pray for them that they may be prepared to meet their father in heaven some day. He was laid at rest in the Paw Paw cemetery Saturday, January 7, where he will sleep in Jesus until the judgment day and then rise and meet Jesus in the air to be forever with the Lord. He leaves a great host of friends and relatives. We did hate to give grand father up but we had to bid him farewell.

VADIE BROWN,
Great grand daughter.
