

We desire to return our many thanks to the good people who stood by us in the sad hour of death of our dear son Ramon Clemons who departed this life the 21st of July, but left the great consolation that he was going home to die no more. Ramon was a good boy and we will miss him but our loss is his eternal gain. We will meet you some day dear darling one. He left father and mother and three brothers and three sisters to mourn his absence. I hope they will live the life that he has laid down. Good-bye for a while.

James and Mary Clemons.
