Mrs. Bud Cook Passes Away

The Death Angel visited Mr. Bud Cook and took away his loving wife, Cynthia, September 13, 1932. We are all sorry to give her up. She left to mourn their loss her husband, Mr. Bud Cook, four children, Mr. Collin Cook, Mr. Will Cook, Mrs. Lura Trent, and Mrs. Lola Gowan, several grandchildren and a host of friends. She professed faith in Christ at an early age. We are very lonesome without her.

About September, 1932, I have something to tell to you; God took away our loving aunt, but she was one of God's saints. She had four children, all dear to her heart; she taught them the Bible right from the start. She has three that are Christians and one that is not; but she always prayed with this one a lot. But he still holds to the sinful way. In Heaven there with God she stays. She wants them to meet her in the brightest sky, where none there will have to die. She used to with him pray and sing, and shout the praises of the Heavenly King. And, oh. The patience she had with this son; and pray to live until she won. But it didn't seem to be his will; but she watches over them still.
