

Mrs. Eliza Henderson, better known as Aunt Eliza, died at her home in the Rector Settlement some two miles South of Marshall Tuesday evening and was buried at Rectors Chapel Wednesday. Aunt Eliza was perhaps the best known woman in the county and perhaps one of few women in the United States that ever held the position as Jailor in which position she was an entire success. She was Jailor during the administration of Sheriff Cole and Serriff W. M. Buckner, which covered a number of years. Both of these Ex-Sheriff spoke in the highest terms of her as being a very efficient officer. She was always cheerful, worked hard and was thought of by her many friends. She had one son, Robert Rector who survives her. 4/16/22
