C., Mrs. Marthy Webb, of Leicester Buncombe County, N. C., and Silas Plemmons. residence not known. She was 65 years old, and had belonged to the Baptist Church for 40 years Aunt Margaret as she was called was truthful and honest and a true Christian industrious and kind to all She with her husband has lived on the walters land for seven years and will be greatly missed by us all, she often talked of heaven where the faithful would rest from their labors, she was devoted to her church and a believer in flowers always, had flowers to give others and now in the yard where she lived you can see her labor, and beautiful flowers. Aunt Margaret was naturally intelligent with limited education, she was intelligent in conversation, read the Bible a great deal, and understood it, so the church has lost a faithful member, the community a kind hearted good neighbor. She is now resting from her labors and her works will follow her,
