

Della Rice, daughter of Mr. & Mrs. James Rice of Walnut, died last Friday morning. The cause of death was Appendicitis. The attack was so sudden it did not give time for an operation. Every effort was made by friends and four doctors to save her life; but to no avail.

Della was 17 years old and a graduate of Uehle Institute, Walnut and Dorland Institute of Hot Springs. She had taken the examination at Marshall a few weeks ago and would have begun teaching at Hopewell this week.

She was a member of the Free Will Baptist Church and lived a christian life. She left one of the brightest testimonies that we have ever heard. She called all her people and gave each one of them a short lecture and asked them to meet her in heaven. She then offered a long prayer for all her people and friends who had been so kind to her.

The funeral was conducted by Revs. Hurst, Andre and others and the body was interred in the Walnut Cemetery. 8/7/14
